

# Which instant water heater?

**STIEBEL ELTRON**  
Comfort through Technology

**4i-Technology equals premium convenience levels.**

- > The appliance ensures accurate temperature delivery at all times, without fluctuations, and achieves maximum efficiency.

**3i-Technology means high DHW convenience.**

- > The appliance maintains a constant and precise DHW temperature right up to the output limit with very high efficiency.

\*Note: 12kW single phase heaters can supply a kitchen sink where it is understood that endless supply is more important than fast flow.
