

SmartFlex

Overview

The SmartFlex loose laid cable system provides a flexible and easy under tile heating solution for any floor size or shape. SmartFlex is suitable for use beneath most floor types such as ceramic and porcelain tiles, limestone etc. Its thin heating element keeps floor depth to a minimum.

The SmartMat lifetime warranty ensures your heating mat gives you a lifetime of trouble-free use and is guaranteed against manufacturer defects for the lifetime of the initial floor covering.

The SmartGuard installer warranty guarantees if you damage your SmartMat product before your finished floor surface is installed, we will replace your SmartMat product with an equivalent product free of charge.
